We Care Health Worldwide

BE
HAPPY For This Moment
This Moment is
YOUR LIFE

For your effervescent tablet, we are providing R&D support & one stop solution

Since 1995, Pharmatech Asia Group (PAG) has earned a reputation, across more than 50 countries around the world, as a one-stop provider of health-related solutions, including formulations, processes, equipment, and nutritional supplements for private label redistribution and direct-to-consumer sales. We always put client satisfaction as priority, including product quality and product stability, taste, package, and user feelings. With more than 25 years of developing, effervescent tablet is already one of our strongest product line. Our plant can produce 300 millions of effervescent tablets every year. Also we put more efforts on R&D, below are some of our popular formulas.

For your effervescent tablet, we are providing R&D support & one stop solution
